The Hague, October 30, 2014

Dear Friends,

I am writing to congratulate you on the formation of Australian Liberty Alliance and to extend my best wishes to the board and first members of Australia's real freedom party.

It has been a long road for the founding members since we first spoke about this project in Australia last year. I know it will be a difficult journey from now on. Prepare yourselves for the battle and remember to fight with a happy heart and strong spirit. You are on the right side of history and your slogan 'Let's Rebuild the Lucky Country' is an inspiration for many good people.

Australia is indeed the lucky country so do your best to keep it that way. Don't sell out your liberty and our shared Western values to complacency and false prophets. Learn from the mistakes Europe has made.

I look forward to seeing you again next October in Perth, where we will celebrate the formal launch of ALA as a national political party. You are Australia's answer to stopping the Islamisation of your beautiful country.

Yours in Liberty

Geert Wilders MP
Chairman Party for Freedom (PVV)
