

25 August 2016

To Members of Australian Liberty Alliance

Dear Members,

The National Executive Board of the party met in Melbourne on the weekend of 20/21 August 2016 and made the following important decisions:

1. For a period of 12 to 18 months the party operation is to be placed on hold.
2. Our offices in Melbourne and Perth will operate with skeleton staff during this time.
3. Kirralie Smith will be the voice and public face of ALA and continue to inform concerned Australians about the socio-political issues most important to us.

There are three reasons for these decisions:

1. Our primary benefactor has to commit funds to his business and no other adequate source of funding for the development of the party organisation is available.
2. Some executive members need to concentrate on pressing personal and business matters.
3. Other key members must now focus on fundraising in order to defend a landmark legal case brought on by halal certifier Mohamed El-Mouehly before the NSW Supreme Court.

In practical terms this means we will not organise events, endorse candidates, contest local or state elections or pursue the investment of regional or local support groups. Existing local groups are free to organise social events and we will invite suitable members to engage in policy development in key areas.

We will arrange meetings during the second half of September in Brisbane, Sydney, Melbourne, Hobart, Adelaide and Perth. Board members will be available to explain the reasons for the aforementioned decisions and to answer any questions. Dates will be finalised and sent to members shortly.

Australian Liberty Alliance was formed to address the problems facing Australia as a result of bad political decisions and unfit leadership. There are no quick and easy solutions. However, with personal sacrifice and dedicated people, we will arrest and reverse the damage.

I look forward to seeing you at one of our meetings next month.

Yours in Liberty,
